**Detailed Transcript of Records**

Courses that students have successfully attended, as well as subjects for which students have received recognition or exemption (COR = Core courses, RELC = Required Elective courses, FL = Foreign Language, OPT = Optional courses, FRELC = Free Elective courses) are mentioned below. The module codes define the type of module ( $\Sigma$ = Design,  $\Theta$ = Theory, T= Technology, M= Representation, EA= Extensive Studios, EM= Insights, EE= Introduction- Specialization Studios, EX= Specializations, Insights, Experimentations, ET= Specializations, Insights, Experimentations, TT= Arts- Techniques, TH= History- Theory, TB= Engineering) and if it was undertaken in the context of ERASMUS (ER) student mobility programmes, as well as the number related to the module. The modules that have been delivered in the previous institutions, before admission to the School of Architecture of AUTH, and have been recognized after the admission, either from Post-degree Interim Examination held by the School of Architecture or from exchange programmes until 2010-11, are compulsory for the Diploma award but are not marked and are not aggregated in the overall Diploma classification. According to the regulations of Aristotle University of Thessaloniki the credits of foreign language courses will not be added to the total credits and the mark will not be counted towards the diploma. This applies for students who have enrolled from 2003 and onwards. Two semesters are compulsory:
